MOTION BY SUPERVISOR ZEV YAROSLAVSKY

April 12, 2005

On Friday, May 6, 2005, the Public Health Foundation Enterprises will be holding its Tenth Annual High School Essay Contest Awards Luncheon. Each year high school students throughout Los Angeles County are invited to participate in this essay contest aimed at increasing public health awareness among their fellow students. The theme of this year's essay contest is "The Affects of Unrealistic Media Images on Adolescent Body Image and Self Esteem."

The Board of Supervisors has traditionally supported the essay contest by offering free or discounted parking at the Dorothy Chandler Pavilion, the location of the annual luncheon. I am in favor of supporting the project again this year through a reduction of parking fees for the luncheon participants.

I, THEREFORE, MOVE that the Board of Supervisors reduce one half of the parking fee at the Dorothy Chandler Pavilion for approximately 50 cars in the amount of \$425.00 for the 10th Annual High School Essay Contest Awards Luncheon on Friday, May 6, 2005 between 11:30 a.m. and 2 p.m. and direct any correspondence related to this event to:
